States that it is necessary to have the Revenue Sub Officers & in some places the Amildars as ex-officio Presidents & Sub-registrars as Secretaries of the L.M. Societies in the Taluks & requests that for few years these officers may be permitted to serve as ex-officio Presidents & Secretaries of L.M. Societies where no suitable non-official Heads can be found

The proposal of the Registrar involves additional burden of work on the Revenue Officers. It is for consideration whether it would not also take away the non-official character of the Co-operative Movement & impose the Revenue Officers as president and Sub-Registrar as Secretaries of the L.M. Societies. Perhaps the Revenue Commissioner may be consulted in the first instance

Sir,

I have the honour to state that the area of the lending operations of the Mysore Co-operative Land Mortgage Bank, Ltd., is being gradually extended and primary Land Mortgage Societies are being organized in the Taluks to which the Scheme is extended. In many Taluks, it has not been found possible to get competent non-officials to serve as Presidents and Secretaries of such societies As the success of the Land Mortgage Scheme - depends chiefly upon the efficient management of these societies, I think that it is very desirable to have the Revenue Sub-Division Officers, where primary Land Mortgage Societies exist at Sub-Division Headquarters or the Amildars in other Taluks, as Presidents of these societies. For the same reason, the appointment of the Sub-Registrars of the Taluks as ex-officio Secretaries will be necessary. The presence of these Officers on the - Committees of Management specially in the initial stages would be of great help in the prompt investigation of the applications for loans and the - verification of prior encumbrances.

I therefore request, that for a few years to come, Government may be pleased to direct the Sub-Division Officers or Amildars and the Sub-Registrars of the Taluks to serve as ex-Officio Presidents and Secretaries of Land Mortgage Societies, in places where I can not find suitable non-officials to hold these offices.

I may add, that the President of the Land Mortgage Bank and some of the Deputy Commissioners whom I consulted agree with me in this opinion.

In continuation of this Office letter No.C.295/34-35 dated 6th March 1935 re: the appointment of Sub Registrars as Ex-Officio Secretaries of Primary Land Mortgage Banks, I have the honour to forward herewith a copy of letter No.8837/C.S. dated 16th April 1935 received from the Registrar of Co-operative Societies in Mysore and to state that in the light of the circumstances explained by him, the system of appointing Sub Registrars as Ex-Officio Secretaries of Primary Land Mortgage Banks where necessary - and where other suitable persons are not available may be tried for a - period of three years to begin with, the future course of action being guided by the experience gained in the said period.

I have the honour to be,

Inspector-General of

HR

Copy of letter No.8837/C.S. dated 16th April 1935 from the Registrar of Co-operative Societies in Mysore, Bangalore to the Inspector-General of Registration in Mysore, Bangalore.

With reference to your letter No.C.181/34-35 dated 27-11-1934 intimating that at present the Sub Registrars are not permitted to be Secretaries of Co-operative Institutions for reasons stated in your Office Circular Order No 1469 dated 27th/29th January 1913, and enquiring whether the nature of work in the Land Mortgage - Societies is in any way different from that of the other Co-operative Socities justifying an exemption from ~~xxxxxxxxxxxxxxxx~~ the above mentioned order, I have the honour to state that considering the great stake of Government in Land Mortgage Societies and the extra care and intelligence required in the scrutiny of loan - applications received by the Societies and their management - generally, and the lack of suitable non-official local gentlemen for the office, it is a distinct advantage to these societies to have the Sub Registrars of the places as their Secretaries wherever properly qualified non-official gentlemen are not available, and it is on these consilerations that I have moved Government to - direct the Sub Registrars of Taluks to serve as Ex-Officio - Secretaries of Land Mortgage Societies, for a few years to come in such places.

Regarding your objections (1) "whether they could conveniently discharge those duties without prejudice to their legitimate - Registration work, and (2) that it will lead to the undesirable - result of a document drawn up in favour of a person in one aspect (e.g., as Secretary to a Co-operative Society) and perhaps sometimes even executed by the same person in another capacity (e.g., as a member of such society) being also registered by himself as a Sub Registrar", I have the honour to state as follows:-

With regard to (1) I think I may assure you that the work relating to the Society would be such as would in no way interfere with the proper discharge of the Sub Registrar's Official duties. I may invite your reference to Section 73(1) and (2) of the Bill further to amend the Mysore Co-operative Societies' Regulation - exempting the Directors and Secretaries of Land Mortgage Institu-

Institutions from appearing in person at any Registration Office in any proceedings connected with the registration of any instrument executed by him in his official capacity. Even otherwise, the documents being executed in favour of the Sub Registrar in a representative capacity, he can be quite impersonal in the matter, no being individually interested in them. There is no likelihood of his executing any bond in favour of the Society as a member of such - Society, as under the byelaws of the Central Land Mortgage Bank and the primary Land Mortgage Societies it is altogether improbable that the Sub Registrar is likely to get a loan from the Society. On the other hand, the Sub Registrars' knowleige obtained in the course of his official work, regarding the value of properties in any locality, the encumbrances thereon etc would be of very great help for the early disposal of loan applictions and the working of the Society. I therefore request that any objections you may have in the matter of permitting Sub Registrars to be Secretaries of Primary Land Mortgage Societies, may be waived.

ORDER No. D. 7957-70—L. M. 13-34-6, DATED BANGALORE, THE 24TH JUNE 1935.

The Registrar of Co-operative Societies reports that in many taluks, it has not been found possible to get competent non-officials to serve as Presidents and Secretaries of Land Mortgage Societies. He considers that, as the success of the Land Mortgage Scheme depends chiefly upon the efficient management of these Societies, it is very desirable to have the Revenue Sub-Division Officers where primary Land Mortgage Societies exist at Sub-Division Headquarters or the Amildars in other Taluks, as Presidents of these Societies, and the Sub-Registrars as Secretaries. He adds that the presence of these officers on the Committee of Management specially in the initial stages would be of great help in the prompt investigations of the applications for loans and the verification of prior encumbrances. The President of the Land Mortgage Bank and some of the Deputy Commissioners are said to be agreeable to this proposal. The Registrar therefore suggests that for a few years to come, the Sub-Division Officers or Amildars and the Sub-Registrars may be directed to serve as *ex-officio* Presidents and Secretaries of Land Mortgage Societies in places where suitable non-officials cannot be found to hold these offices.

The Revenue Commissioner and the Inspector-General of Registration are agreeable to the proposal. The latter suggests that the new arrangement may be tried for a period of three years to begin with, the future course of action being guided by the experience gained in the said period.

Government are pleased to approve of these proposals.
